

RoHS- REACH Declaration of Conformity

1. Declaration of Conformity - RoHS

We hereby declare that our products are compliant to RoHS Directive 2011/65/EU of the European Union relating to the restriction of the use of certain hazardous substances in electrical and electronic appliances.

Following substances are involved:

- Lead (Pb)
- Cadmium (Cd)
- Hexavalent chromium (Cr)
- Polybrominated Biphenyls (PBS)
- Polybrominated Diphenyl Ethers (PBDE)
- Mercury (Hg)
- Bis(2-ethylhexyl) phthalate (DEHP)
- Butyl benzyl phthalate (BBP)
- Dibutyl phthalate (DBP)
- Diisobutyl phthalate (DIBP)

Invacare International GmbH hereby declares that all our products are manufactured in compliance with RoHS

2. Declaration of Conformity - REACH

In the sense of the Regulation for the Registration, Evaluation, Authorization and Restrictions of Chemical (REACH) 1907/2006 of the European Parliament, Invacare is defined as a "Downstream User" for its manufactured products

Our products are non-chemical products that will not require registration under Article 7.1 of REACH. Furthermore, our products do not release hazardous substances if used as specified. Consequently, we are not required to register chemical substances at the European Chemicals Agency (ECHA) or to establish safety data sheets for our products.

Based on the actual information by our suppliers (regarding Article 33) we can confirm that all our products do not contain any of the substances specified in the so-called ECHA "candidate list" SVHC-Substances of Very High Concern (REACH Article 59) with a concentration of more than 0.1 % by weight.

Invacare and its suppliers will continuously review the actual ECHA "Candidate List" for additions and updates and act accordingly in compliance with REACH regulations. The actual candidate list is provided on the European Chemicals Agency website under the following address

http://echa.europa.eu/chem_data/candidate_list_en.asp
